I understand that my pet is not under constant observation and there is no attendant on the premises at night. I do not hold Laguna Hills Animal Hospital responsible for any illness or injury that occurs as a result of my pet's own activity. A veterinarian is available 7 days a week. Should my pet require medical care while boarding I give my permission for said treatment. I request that every attempt be made to reach me by phone, but I do accept financial responsibility for all charges incurred and agree to pay for such charges at the time of release of my pet. If I do not pick up the pet within 3 days of the designated release it can be considered abandoned and LHAH can dispose of the pet. In the event of such disposal (adoption, sale or euthanasia) I will not be relieved from paying all accumulated charges nor from paying all legal fees / court costs.
